

# SPA & WELLNESS

PranaVeda

By Auspitality

**Prana Veda** is a holistic spa and wellness brand rooted in ancient healing wisdom and elevated by modern luxury. The name reflects the essence of **Prana (life energy)** and **Veda (sacred knowledge)**, symbolizing our commitment to balanced, conscious, and transformative well-being.

# About PranaVeda

A Holistic wellness center for body and mind

---

# Our Philosophy.

At **PranaVeda**, wellness is a sacred journey. We focus on restoring the natural flow of energy through personalized therapies, mindful rituals, and time-honored practices that nurture the body, calm the mind, and awaken the spirit.

Ayurveda, which has been the foundation of health and wellness for thousands of years, is still considered the most effective form of natural healing. PranaVeda, combines ancient ayurvedic practices with modern science to provide holistic health solutions.

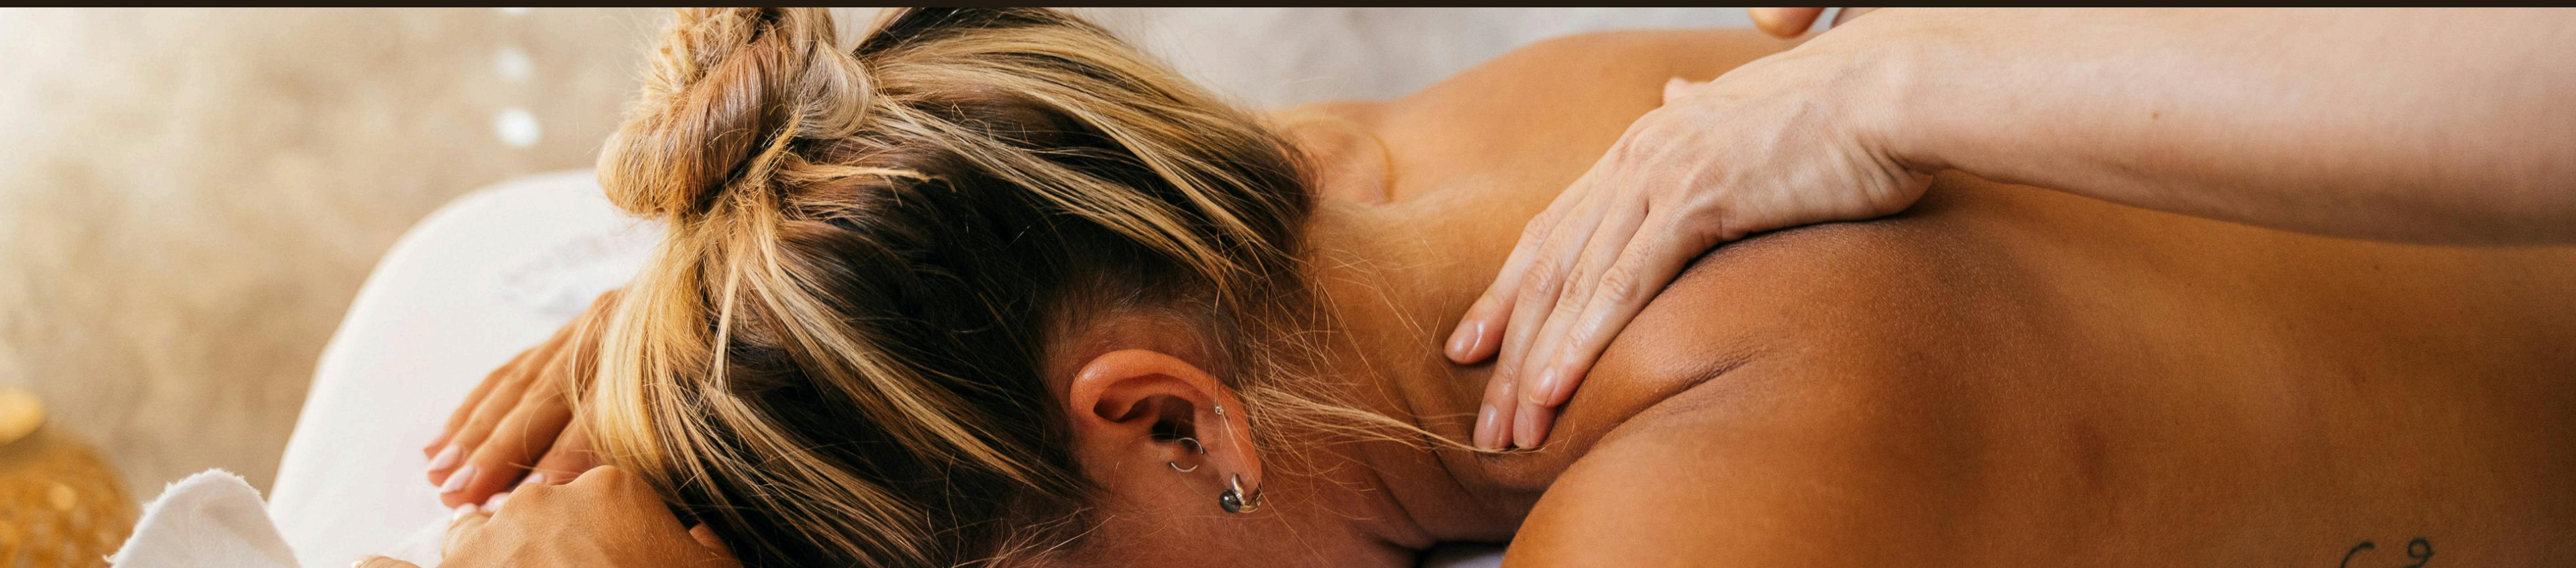

# Our Vision

To emerge as a soulful wellness destination where ancient wisdom meets modern refinement.

# Our Mission

To deliver meaningful spa and wellness experiences that harmonize body, mind, and soul.

# Our Promises

- Authentic therapies
- Trained wellness experts
- Natural products
- Serene environments
- Global spa standards

# Premium Services

## Ayurvedic Panchakarma

Experience the benefits of Panchakarma therapy, which helps detoxify your body, reduce pain, and improve vitality. This one-hour therapy will relax you and reduce stress.

## Detoxification Therapy

Our detox therapy cleanses your body of toxins, improving digestion, boosting immunity, and promoting overall wellness using natural Ayurvedic methods.

## Physiotherapy

We offer physiotherapy three times a day to help with rehabilitation, pain relief, and better movement. Our physiotherapists will provide care based on your needs.
